Cigna Global Health – Find a Doctor, Dentist, or Facility

Follow these steps to search Cigna's United States network:

- Visit www.cigna.com and click on the blue “Find a Doctor, Dentist, or Facility” button at the top right of the screen.
- Click on the button that states “Employer or School” in regards to how you are (or will be) covered.
- At this point you will have the option to search by “Doctor by Type,” “Doctor by Name,” or “Locations.” For example, choosing “Doctor by Type” will present options for specialty or type of doctor. You also have the option to edit location at this step.
- Enter the specialty or type of doctor OR select from the drop-down box. The drop-down box options provide common doctor types and specialties.
- Provide either your city/state or Zip Code when asked where you live.
- After you enter your location, select the OAP network for medical that states either **Open Access Plus, OA plus, Choice Fund OA Plus**; your results will be displayed.
    - *For dental*, please select **Total Cigna DPPO (Cigna DPPO Advantage and Cigna DPPO)**.
- You may adjust the provider type, location, or any other search criteria by clicking on the top of the web page where it states More Options.
